COMPETITION INFORMATION & COMPETITOR LIST

EQUITANA's Liberty Showcase will feature trainers and their horses presenting a Liberty 'freestyle'. The competition highlights the connection between horse and trainer which is established over many hundreds of hours at work and play together. No saddles or bridles! The communication between horse and trainer is inspiring to see. Trainers will showcase a creative Liberty performance to impress the public and gain the popular vote.

We have 5 trainers, each will have a 10-minute allocation to demonstrate to you, their speed control, tricks, agility, pairs or triples, freestyle creativity and style.

The crowd will decide who wins the challenge with a popular vote. A QR code will be displayed in the Grand Pavilion for registering your vote.

Taking to the Grand Pavilion and vying for your vote, we have;
